POTENTIAL IS UNLIMITED

Disclaimer: Not all carriers allow their products to qualify for incentives. Also, not all states, products or age bands will qualify as reduced commission/override products may be ineligible toward the program, call for details. Reimbursement distribution checks will be available after the end of each quarter as long as the 30 day free look has expired. Incentive reimbursements can be accumulated throughout the year, but any funds not disbursed by 12/31 will be forfeited. Agents must request the funds and provide the necessary receipts and documentation. Not available for producers receiving additional commissions, through a restricted channel or through another group. Provision Brokerage, LLC reserves final judgment on qualifying cases and may extend or terminate the program at any time.
